## Report of Principal and School Improvement Council

The mission of St. Andrews Middle School is to prepare every student to be a successful, contributing citizen in a global society by providing an effective and high quality education. We believe that all teachers, administrators, parents, and community members share the responsibility for advancing this mission. We continue to follow our annual School Renewal Plan, Richland District One Strategic Plan, and the action steps of our Making Middle Grades Work Program Goals in an effort to increase student achievement.

Academic and extra-curricular accomplishments of our students included thirty-eight Duke Tip qualifiers, one state recognized Duke Tip Scholar, seventeen Middle School Scholars, and three S.C. Junior Scholars. Fine Arts awards included: ten District Honor Orchestra, three District Honor Dance, twelve District Honor Chorus recipients, and one state ACDA Honor Choir award winner. Athletic programs include volleyball, football, basketball, wrestling, track, tennis, baseball, softball, cheerleading, and an award winning step-team.

St. Andrews parents and business partners provide continuous support for our students and academic programs. The University of South Carolina partnership sponsors guidance interns and the USC Talent Search program. Colonial Life Supplemental Insurance Company provides numerous student-centered activities, including Ravenous Readers, Story Tellers, Lunch Buddies, Junior Achievement, Student Book Club, guest speakers, cultural events, classroom volunteers and also provide parent workshops and programs. Faith-based partners provide mentors, after-school activities, and summer programs for students in our community.

The 2012 PASS scores, MAP data, and Common Assessment results serve as baseline data from which needs have been identified and strategies developed to address those needs. Total school PASS data showed 63.5% student mastery in Math, 59.6% student mastery in English Language Arts, 67.1% student mastery in Social Studies, 59% student mastery in Science, 65.1% student mastery in eighth grade Writing, and a 95% student passage rate on the 2013 End of Course Algebra I exam. Our academic goals for the year are to increase the percentage of students scoring Met or exemplary by 15% or more in all areas of PASS and to increase the percentage of student scoring at or above the minimum grade level RIT by 10% from the Fall 2012 to Spring 2013 MAP tests. We will continue to implement programs and strategies which will increase student achievement in all academic areas. A schoolwide focus on standards-based instruction and assessment, Classroom Walk-Throughs, All-Day Writes, remediation and enrichment programs, Vertical Team Articulation, and data analysis at the classroom level and schoolwide will be utilized to facilitate student learning and foster academic success for all of our students. We appreciate the continued support provided by our parents, business and faith-based partners, and all of the St. Andrews community as we strive to educate the leaders of tomorrow.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>60.2</b>
<b>Overall Grade Conversion</b>	<b>D</b>

80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
